Supporting letter – Prof. K. Berk Kapancı

Dear Secretary-General, dear Gary,

I am Prof. Dr Pascal Pichonnaz, holder of the Chair of Private law and Roman law and former Dean of the Faculty of Law of the Fribourg University (Switzerland), and actual President of the European Law Institute (ELI).

I would like to propose and support the application of Prof. Dr Berk Kapancı, professor at the University MEF in Istanbul, as an associate member of the IAACL.

Professor Kapancı has been very active in the field of comparative law, pursuing comparative research first between Swiss and Turkish Law, but also more generally in a broader comparative approach, through many interventions in the framework of SECOLA conferences, and very recently by spending several months at the UNIDROIT Institute in Rome to complete a thorough comparative analysis.

I have known Professor Kapancı for many years, since he was a student at Galatasaray University, the leading law Faculty in Turkey. I can confirm that he is an outstanding scholar and would be very valuable to our association, as you will also be able to grasp from his CV.

For all these reasons, I strongly support the application of Prof. K. Berk Kapancı as an association member of the IACL.

With this, I remain yours warmly

Prof. Pascal Pichonnaz
