**Letter of support for the nomination by the nominator – Lisa Isola**

Dear Sir or Madam,

Reference is made to the election campaign for new members and the nomination of Prof. Lisa Isola as Associate Member.

The reason for supporting the nomination of Prof. Lisa Isola lies in the high quality of her publications and presentations which I have experienced for several years. Prof. Isola's research focus is the historical comparison of law. Currently, she initiates a larger project on the Austrian Civil Code from a historical-comparative perspective. In my view, her research contributes significantly to comparative legal research in Austria.

Prof. Isola is furthermore a very active member of the Austrian scientific community and as such promotes and stresses the importance of comparative legal thinking. She is also very experienced in attracting funds for research projects internationally and nationally. She contributes to different academic societies already, as due to her membership in the Young Academy of the Austrian Academy of Sciences.

In my view, she would be a precious member of the International Academy of Comparative Law. I therefore propose to accept her as an Associate Member within the current election campaign for new members.

Yours truly,

Florian Heindler
